

“Texas Roadhouse to Host Community Fundraiser Night for Seacoast Mental Health Center (SMHC)”

Portsmouth, NH, 6/10/10—On July 1st from 4pm to 10pm, Texas Roadhouse will host a Community Fundraiser Night to benefit Seacoast Mental Health Center (SMHC).

For every guest who brings an invitation, which is available at <http://www.smhc-nh.org/texasroadhousesmhcflyer.pdf>, 10% of the table’s proceeds will be donated directly back to SMHC.

Noting this is the first event of its kind to benefit the Center, SMHC Executive Director Jay Couture expressed excitement at the opportunity.

“This is a great way to engage the community,” said Couture. “It’s fun, it’s simple, and any money donated will directly benefit those we serve.”

Founded in 1963, SMHC provides comprehensive psychiatry, counseling, case management and psychological services to all residents located within the eastern half of Rockingham County. For more information about SMHC or to download an invitation, visit www.smhc-nh.org.
